MM Docket No. 95-156

In the Matter of

Amendment of Section 73.202(b)
Table of Allotments,
FM Broadcast Stations.
(Shelton, Washington)

RM-8701

NOTICE OF PROPOSED RULE MAKING

Adopted: October 3, 1995; Released: October 12, 1995

Comment Date: December 4, 1995

Reply Comment Date: December 19, 1995

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Sound Broadcasting, Inc. ("petitioner"), proposing the allotment of Channel 233A at Shelton, Washington, as the community's first local FM transmission service. Petitioner states its intention to apply for the channel, if allotted.

2. We believe the proposal warrants consideration because the proposed allotment could provide the community with its first local FM transmission service. An engineering analysis has determined that Channel 233A can be allotted at Shelton in compliance with the Commission's minimum distance separation requirements with a site restriction of 6.6 kilometers (4.1 miles) northwest to avoid short-spacings to the licensed sites of Station KMPS-FM, Channel 231C, Seattle, Washington, and Station KUKN(FM), Channel 233A, Kelso, Washington.¹ We recognize that this allotment would be short-spaced to the proposed allotment site for Channel 233C, Vancouver, British Columbia. However, we have determined that no potential interference would result from the allotment of Channel 233A at Shelton, Washington. Therefore, since the community is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian government for the allotment of Channel 233A at Shelton, Washington, has been requested as a specially-negotiated allotment.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

	Channel No.
City	Present Proposed
Shelton, Washington	--- 233A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before December 4, 1995, and reply comments on or before December 19, 1995 are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Mark N. Lipp, Esq.

Mullin, Rhyne, Emmons and Topel, P.C.

Connecticut Ave., Suite 500

Washington, D.C. 20036

(Counsel for Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Sharon P. McDonald, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
